

Homelessness and worklessness

Click here for more information and to book

Enhancing housing, enhancing life: an event looking at effective ways that housing can contribute to tackling worklessness.

Share innovative good practice in tackling worklessness in these areas.

- Planning for homes and jobs.
- Communities – the roles of social landlords.
- Developing homelessness services and housing options to offer a new approach.

Who is this event for?

- Housing professionals.
- Voluntary organisations.
- Employers.

Date

Wednesday
21 October
